

Course Exercise - Reference Files

Digital Marketing Strategy Bootcamp

Duration: 5 weeks - Instructor: Nour Khalil

Your exercise for this week

1. Write a one-line positioning statement for a product you like.
2. Define two audience personas with one need each.
3. Draft a 3-email welcome sequence outline.
4. Pick two channels and justify why they fit your audience.
5. Bring your funnel sketch to the next workshop.

Complete the steps in order - each one builds on the previous. Bring your questions to the next session.
